Elsa,

Please call if you would like to discuss these proposed changes. I believe they are necessary to establish that the "Bob Davie investigation" has concluded and that a broad, university-wide investigation is about to begin. These changes are critical to ensuring that the upcoming investigation is not perceived as an ongoing Bob Davie investigation. I have also included the names of individuals to be interviewed with regard to the two pending matters. Thank you.

Also change concluded in first sentence to "conducted".
