This story has been done...poorly I may add, by KRQE months ago. We calculate our attendance exactly as the NCAA does, and pretty much every Division I FBS institution. Tickets that are sold or out (in the case of students).

Frank Mercogliano
Assistant Athletic Director for Communications
Contact for Football, Men's Tennis, Women's Tennis, Men's and Women's Skiing and other duties as assigned
The University of New Mexico
1414 University Drive
Albuquerque, NM 87106

Thanks!

I'm also interested in doing a story about how attendance is calculated at football games too.

Is there any kind of breakdown — tickets sold, donated?
